Lab experiment

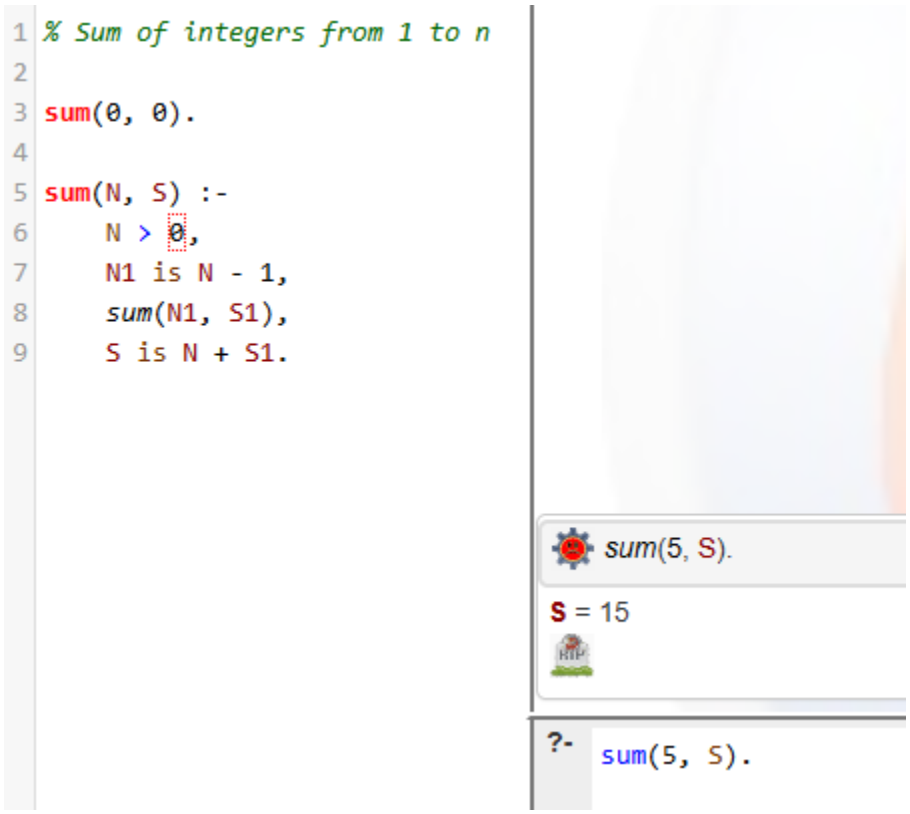
Write a Prolog Program to Sum the Integers from 1 to n.

Prolog:

```
% Sum of integers from 1 to n

sum(0, 0).

sum(N, S) :-
    N > 0,
    N1 is N - 1,
    sum(N1, S1),
    S is N + S1.
```

Query:
?- sum(5, S).


Output:
